

DO YOUR KIDS LIKE TO WRITE? DRAW? REVIEW STUFF? MAKE LISTS?

THE MAGAZINE PUBLISHES CANADIAN KIDS WORK EVERY ISSUE!

THE MAGAZINE is 80+ pages of entertainment content that kids ages 8 to 14 love to read about. The best part is that it is written in part by Canadian kids and teens! THE MAG also includes important messages from Kids Help Phone, Concerned Childrens Advertisers and a healthy balance of world issues and environmental news.

From best movie teachers to cartoon heroes to animals living in the antarctic to actors under the age of 15 to bands that are actually good >> there are a staggering UNLIMITED number of TOP TEN lists left to produce in our lifetime. Get kids to pick their favourite topic (no matter how random), and you will notice that they get excited about writing!

REVIEWS

Every issue we are running long and short reviews on books, albums, dvds and movies. These are things that everyone can relate too. We run between 12 and 30 reviews from kids and teens in EVERY ISSUE.

DRAWINGS, POEMS, LYRICS, CREATIVE WRITING -- it's all great stuff. Please help us showcase Canada's talent, in Canada's favourite youth mag! For more suggestions, email becky@themagazine.ca

PLEASE NOTE: If you send in ALL OF YOUR CLASSES submissions with a note from you, along with your schools name and room number, we will be happy to credit you/r class and run MULTIPLE submissions at a time!
